

CFD Society of Canada Student Travel Grant for CFD2012

VALUE: \$500

APPLICATION DEADLINE: November 30, 2011

FUNDED BY: CFD Society of Canada (www.cfdsc.ca)

DESCRIPTION: The CFD Society of Canada will award several travel grants to defray the cost of graduate student air/train travel to attend the 2012 conference in Canmore, Alberta.

ELIGIBILITY REQUIREMENTS: The applicant must be a full time student in a Masters or Ph.D. level program at an accredited Canadian university. Additional eligibility requirements are included within the grant description.

Grant recipients are chosen by a selection committee of the CFD Society of Canada. The following criteria will be considered:

- Travel distance from the university to the conference site
- Author or co-author in a submitted abstract
- Quality of the research project
- Grades

SUBMISSION GUIDELINES: Applications for travel grants are submitted by the student. The application package should include the following:

- CFDSC Student Travel Grant Application Form (the following two pages in this pdf file)
- Unofficial transcripts signed by the student's academic advisor will be accepted in lieu of official transcripts
- Lists of scholarships and publications
- Description of research

SEND SUBMISSIONS VIA EMAIL TO:

- Dr. Catherine Mavriplis, University of Ottawa (Catherine.Mavriplis@uottawa.ca)
- application should be attached to the email as a single pdf file
- email subject line: CFDSC Student Travel Grant

CFD Society of Canada Student Travel Grant Application Form for CFD2012

CFD Society of Canada Student Travel Grant Application Form for CFD2012

DESCRIPTION: The CFD Society of Canada will award several travel grants to defray the cost of graduate student air/train travel to attend the 2012 conference in Canmore, Alberta. Information about the CFDCS can be found at the website: <http://www.cfdsc.ca>

SUBMIT TO: Catherine.Mavriplis@uottawa.ca

ELIGIBILITY REQUIREMENTS: The applicant must be a full time student in a thesis-based Masters or Ph.D. level program at an accredited Canadian university. Applications for CFDCS Student Travel Grants are to be submitted by the student.

ACADEMIC HISTORY: List ALL university-level institutions you have attended whether or not you received a degree from those institutions. You may submit unofficial transcripts signed by the advisor.

PROPOSED DEGREE: Indicate the degree program in which you are registered at the time of application.

SCHOLARSHIPS AND AWARDS HELD/APPLIED FOR: Applicants must include the name and value of any scholarships previously held and/or applied for.

PUBLICATIONS: Attach a list of publications. Do not include the publications or any other documentation; additional documentation will not be accepted.

RESEARCH PROPOSAL: Attach a one-page statement describing your research. Describe your area of research including the rationale, objectives and methodology with particular reference to how they relate to computational fluid dynamics. If you have course work to complete show how your courses relate to your objectives. If you have been working on this project, please comment on the progress you have made. If you are at the doctoral research stage, explain how the research makes an original contribution to knowledge. These applications will be adjudicated by committee members from a wide variety of disciplines and therefore the description of your research should be intelligible to non-specialists as well as to specialists. The statement may not exceed one side of a 8.5 x 11 sheet of paper, must be single-spaced with three-quarter inch margins and the type size must be no smaller than 12 point.

DECLARATION: By signing this application, I declare:

1. that I have answered all questions applicable to me and that all information is true and complete
2. that I will notify the CFDCS if I withdraw from full-time status, or otherwise change my student status
3. that the CFDCS may request additional information pertaining specifically to my academic performance and enrolment status for the purpose of determining my eligibility for this scholarships
4. that in applying for an award, pertinent information may be released to the appropriate university administrative offices
5. that if I receive an award, my name, university, and degree information may be posted on the CFDCS website and/or distributed in a newsletter/bulletin to the CFDCS membership.
